VINEYARD DETAILS	Viking Estate Vineyard 1400 - 1700 feet Calcareous Limestone Soil

Adelaida has five organically-farmed vineyards in the coastal influenced Santa Lucia Mountain Range on the west side of the Paso Robles AVA. Situated on steep hillsides, these sites lie within the *Adelaida District*, a sub-appellation in the northwest corner of the wine region. With elevations ranging from 1400 - 2050 feet, limestone subsoils, and extreme diurnal temperature swings, averaging 45 degrees, Adelaida produces wines with distinct expressions of their site.

The deep and meaningful ruby-purple color bodes well for this wonderful wine in a stunning vintage. Ethereal and enchanting, precise and persistent with pastille aromas of crème de cassis, rose oil, and dried violets all waft to the nostrils. Go deeper for cedar, incense, balsam and wood smoke. Indicative of winemaker Jeremy Weintraub's penchant for purity, detail, and above all, sense of place, our high-altitude Viking Estate yields wines that fit perfectly in to Jeremy's ethos. This powerful wine delivers the goods with concentrated black currant, cherry-vanilla overtones followed by mountain pass wild herbs, savory spice-cake, licorice and camp fire. A wine of structure and nuance. Enjoy now for the glories that are joyous vibrant fruit flavors or age 5 years for nuance, finesse, and detail. Drink through 2027.
