PAIRINGS Veggie burgers with grilled tomatoes

VINEYARD Tír na nÓg Vineyard & Viking Vineyard

DETAILS Willow Creek District 53%, Adelaida District 47%

Adelaida's organically-farmed vineyards are located in the coastal influenced Santa Lucia Mountain Range on the west side of the Paso Robles AVA. Situated on steep hillsides, these sites lie within the *Adelaida District and Willow Creek District*, sub-appellations in the northwest corner of the wine region. With elevations ranging from (1400 - 2050 ft), limestone subsoils, and extreme diurnal temperature swings, averaging 45 degrees, Adelaida produces wines with distinct expressions of their site.

This wine is a testament to Adelaida's promise to deliver delicious wines across all price points. The estate Cabernet also provides a glimpse into what is to come from our newest vineyard, Tír na nÓg. Our Paso Robles designation marries Estate grapes from the Viking Vineyard in the Adelaida District, along with the fruit from our new Tír na nÓg planting high up in the Willow Creek District AVA. This wine delivers a true to varietal characteristic and distinctiveness that speaks of these two dramatic and challenging vineyards.

This classic Cabernet Sauvignon is full of intense, bold flavors and nuanced aromatics, resulting in a mouthwateringly juicy wine that punches well above its weight. The sense of place aromatics and varietal characteristics deliver the goods through Adelaida dust and Willow Creek spice. Cacao nibs, freshly turned soil, blackcurrant compote, Adelaida rocks, and fine French oak barrels all live in harmony to create this lavish bouquet. Red and black fruit flavors of blackcurrant, cherry, and premium chocolate abound in this decadently rich flavored wine that delivers a fine and velvety texture. The integration of this wine is specifically what winemaker Jeremy Weintraub continually strives for. Drink this wine now through 2026.
