AROMA	Black forest fruits with notes of underbrush and wild herbs

VINEYARD DETAILS	Anna's Vineyard 1595 - 1935 feet Calcareous Limestone Soil

Adelaida's seven distinct, family-owned vineyards lie in the craggy hillside terrain of Paso Robles' Adelaida District, 14 miles from the Pacific coast. Ranging from 1400 - 2000 feet in elevation these low yielding vines are challenged by chalky limestone soils and afternoon blasts of cool marine air, and a diurnal temperature swing of 40-50 degrees.

Inspired by the top cuvees of Châteauneuf-du-Pape, this reverse engineered GSM blend showcases the synergies of these varieties. Anna's Estate Vineyard features mountain elevation and steep south facing exposures, all the better to maximize vine stress, thick skins and flavor intensity. The wine delivers the savory flavors of a game infused blackberry reduction with hints of Herbs-de-Provence and campfire smoke. Drink now through 2020.

"The supple, polished and charming 2014 Anna's Red Signature is packed with red and black fruits plus notes of underbrush, wild herbs and hints of scorched earth."
