

VIOGNIER 2005
Glenrose Vineyard
Paso Robles

The Glenrose Vineyard, at 1,200 – 1,600 feet in elevation and 16 miles from the Pacific Ocean, is contiguous to the Reserve Cabernet Sauvignon block of our Viking Estate Vineyard. Precipitous and steep, its terraced rocky out-croppings and ledges are hewn from a massive limestone-ingrained pyramid. The grapes struggle in this inhospitable environment to give the wine a true sense of place.
