Adelaida's organically-farmed estate vineyards are located in the coastal-influenced Santa Lucia Mountain Range on the west side of the Paso Robles AVA. Situated on steep hillsides, these sites lie within the Adelaida District, a sub-appellation in the northwest corner of the wine region. With elevations ranging from 1400 - 2050 ft, limestone subsoils, and extreme diurnal temperature swings, averaging 45 degrees, Adelaida produces wines with distinct expressions of their site.

The 2019 vintage was ideal in many ways and produced wines that will be delicious when young and increase in complexity with age. Our ranches received 24 inches of rain during the 2018-2019 winter, including a mid-May shower that delivered nearly an inch. The temperatures were also extremely cooperative, only peaking above 100 degrees on one day. This year was one of the best growing seasons the winery experienced here on the central coast.

Our Signature Anna's Red combines the best selections of our red Rhône varietals and a pinch of Touriga Nacional. Mourvedre exudes savory and exotic umami teriyaki aromas. The combination of Grenache, Syrah, and Petite Sirah join to create aromas of au Poivre sauce, pancetta, and all-spice. These bold flavors complement a full display of aromatic and flavorful black plum, cassis, fig, and boysenberry. This wine is black fruit dominant, but the main focus leans toward savory old-world complexity. Pedigreed, vibrant fruit to enjoy now, layered over sophisticated flavor to savor down the road. Enjoy now through 2034.
