| FOOD PAIRINGS | Lamb kebabs with pomegranate glaze, Vietnamese pulled pork tacos, and Porcini mushrooms risotto |
| VINEYARD DETAILS | Anna's Vineyard 1595 - 1935 feet Calcareous Limestone Soil |

Adelaida's distinct family-owned vineyards lie in the craggy hillside terrain of Paso Robles' Adelaida District, 14 miles from the Pacific coast. Ranging from 1400 – 2000 feet in elevation these low yielding vines are challenged by chalky limestone soils and afternoon blasts of cool marine air, and a diurnal temperature swing of 40-50 degrees.

Our Anna's Red is a Rhône-style blend mirroring the classic wines of the Châteauneuf-du-Pape using estate-grown grapes from our mountain vineyards in the coastal hills of Paso Robles. Sometimes referred to as a "GSM", an acronym for the major components of the blend, i.e. Grenache, Syrah, and Mourvèdre.

Warm weather characterized the 2013 vintage, with occasional heat spikes, but always moderated by the marine influence of the nearby Pacific Ocean. Adelaida's vineyards lie in the newly demarcated AVA, the Adelaida District, characterized by wide daily temperature swings, an abundance of limestone sub-soils and steep terrain. The wine is softly textured, tasting of mulled strawberries and savory flavors reminiscent of roasting pan juices and wild thyme.
