VINEYARD DETAILS	Viking Estate Vineyard 1400 - 1700 feet Calcareous Limestone Anna's Estate Vineyard 1600 - 2000 feet Calcareous Limestone

Adelaida's organically-farmed estate vineyards are located in the coastal influenced Santa Lucia Mountain Range on the west side of the Paso Robles AVA. Situated on steep hillsides, these sites lie within the Adelaida District, a sub-appellation in the northwest corner of the wine region. With elevations ranging from 1400 - 2050 ft, limestone subsoils, and extreme diurnal temperature swings, averaging 45 degrees, Adelaida produces wines with distinct expressions of their site.

The winter months between 2020-2021 were cool and dry, with just 7.25 of rainfall and an average temperature of 51 degrees Fahrenheit. These conditions spurred an early bud break, followed by a moderate spring and warm summer with no heat waves. These conditions allowed harvest to proceed at a mostly predictable pace; the sugars evolved slowly due to limited heat spikes, and the acids remained high across all varietals.

The 2021 Cabernet Sauvignon/Syrah is broodingly inky and concentrated in appearance. This limited production rarity conveys the suave and rich aromas of blackberry, violet, healthy organic soil, and a touch of black pepper. These aromas are complemented by delicious flavors of blueberry pie, black plum, and dark chocolate, giving it a fruit-forward taste with a polished and balanced finish. Drink now until 2032.

VARIETAL	Cabernet Sauvignon 50%, Syrah 50%	COOPERAGE	Aged in 40% new French oak for 20 months
ALCOHOL	14.6	RELEASE	Spring 2024
