VINEYARD DETAILS	HMR Estate Vineyard 1600 - 1735 feet Calcareous Limestone Soil

Adelaida's organically-farmed estate vineyards are located in the coastal influenced Santa Lucia Mountain Range on the west side of the Paso Robles AVA. Situated on steep hillsides, these sites lie within the Adelaida District, a sub-appellation in the northwest corner of the wine region. With elevations ranging from 1400 - 2050 ft, limestone subsoils, and extreme diurnal temperature swings, averaging 45 degrees, Adelaida produces wines with distinct expressions of their site.

The 2022 vintage started with roughly 20 inches of rainfall and hinted at consistent summer temperatures that did not see peaks or troughs. This was until our extreme heat event that expedited harvest and will likely mark the vintage for all of California. The heat wave hit at the exact moment when the fruit was at the tail end of its ripening journey. With over a week of 105-degree-plus temperatures, this vintage forced vintners/viticulturists to decide on picking grapes early with higher acids or later, running the possibility of over-ripe fruit.

The 2022 harvest of Pinot Noir resulted in an exceptional and delicate wine. It presents bright aromas of strawberry and rhubarb, complemented by hints of garrigue and milk chocolate. The first sip reveals a juicy burst of pomegranate and raspberry, creating a refreshingly vibrant experience. This delightful vintage is sure to please for years to come. Enjoy now through 2030.

VARIETAL	Pinot Noir 100%	COOPERAGE	Aged for 15 months in 30% new French oak barrels
ALCOHOL	13.4%	RELEASE DATE	Spring 2025
CASES	540	RETAIL	\$60
